EXPERIENCE

Loyalty Automation Pvt Ltd, Chennai

Jun. 2026 – Jul. 2026

AI and Web Development Intern

- Built and maintained a B2B product catalog platform using Express.js, and MongoDB.
- Developed an Agentic AI chatbot with **LangGraph** + **Groq**, enabling product search via natural language.

Centre for Advanced Data Science (CADS), VIT Chennai

Jun. 2024 – Nov. 2024

Research Intern

- Developed a deep-sea image segmentation framework in collaboration with NIOT for polymetallic nodule detection, achieving **97.90% accuracy** using **SAM 2.1** with custom annotated datasets
- Presented the work at the **7th International Conference on Ocean Engineering (ICOE 2025)**

PROJECTS

South Indian Nutrition Advisor | [GitHub](#)

Jul. 2026 – Aug. 2026

- Built a end-to-end AI nutrition advisor for South Indian cuisine using **Google Gemini** and **LangChain** for multi-step meal analysis, glycemic risk assessment, and ingredient-level dietary recommendations.
- Integrated **Supabase** for user authentication (Google OAuth + Email) with RLS policies protecting meal logs.
- Automated personalised email nutrition report delivery via Gmail REST API.
- Skills:** Python, FastAPI, Google Gemini API, LangChain, Supabase, Email Automation

Multi-Agent Autonomous Code Generator | [GitHub](#)

Jun. 2026 – Jul. 2026

- Developed a multi-agent AI framework using **LangGraph** that converts a natural language prompt into a fully generated codebase via coordinated Planner, Architect, Coder, and Reviewer agents.
- Built a FastAPI streaming backend with live agent timeline, file browser, and ZIP download.
- Skills:** Python, LangGraph, FastAPI, Groq LLM, Agentic AI

Smart Elevator Automation System Prototype | [GitHub](#)

Mar. 2024 – Apr. 2024

- Built a smart elevator system using **Raspberry Pi**, PIR, ultrasonic sensors, and **OpenCV**-based computer vision for real-time occupant detection and intelligent floor-stopping.
- Skills:** OpenCV, Python, Computer Vision, IoT, Raspberry Pi

CERTIFICATES

Oracle Agentic AI Certified Foundations Associate | [Certificate](#) | Oracle

Aug. 2026

Claude Code in Action | [Certificate](#) | Anthropic

Jul. 2026

TECHNICAL SKILLS

Programming Languages : C, C++, Java, Python

AI / ML Libraries : LangChain, LangGraph, OpenCV, Pandas, NumPy, SAM 2.1, Google Gemini API

Tools : GitHub, Visual Studio Code

EDUCATION

Vellore Institute of Technology, Chennai

2023 – 2027

B.Tech in Electronics and Computer Engineering | **CGPA: 8.85**

Sri Chaitanya Techno School, Mylapore | Class 12 - 92%

2022 – 2023

Sri Chaitanya Techno School, K K Nagar | Class 10 - 97.8%

2020 – 2021
